ALSONS TECHNOLOGY

FEATURES

1. CNC Turning
2. CNC Milling
3. Injection Moulding
4. Stamping
5. High Pressure Die Casting
6. Gravity Die Casting
7. Site Automation and Monitoring
8. Heat Treatment
9. Surface Treatment
10. Computer Aided Design (CAD)
11. Computer Aided Manufacture (CAM)
12. Testing and Calibration
13. Prototyping
14. Product Development
15. Software Development
16. Semi-Automated Assembly Lines
17. Screen Printing
